

Why You Should Come

Every year, thousands of young people leave the church and for many of us, this is a personal concern.

However many of them don't actually turn their back on God, but on something else.

This tour is an opportunity for parents, church leaders and youth workers to join together as we discover what that "something" might be – and try to change it.

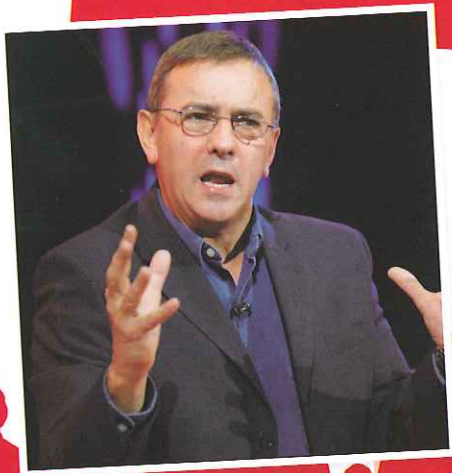

A Challenging Message

International speaker and best-selling author, Rob Parsons has brought insight and inspiration to thousands of families since founding Care for the Family.

With passion and humour, Rob will help us understand what we can change in our homes, our churches - our hearts - which will make it less likely that a generation will be lost to the church.

Learn more:

- God has no grandchildren – how children find a faith of their own
- The jelly-mould syndrome – there is no "one size fits all"
- Facing up to "the Big Five" – the main killers of faith
- Creating a sense of belonging – making sure our kids feel they fit in
- Giving our children a vision
- Handling the three disappointments that come to all of us

"I intend to do all that I can to get this message into the hands of as many parents, youth leaders and pastors as I can. It will help to preserve the next generation."

Agu Irukwu, Senior Pastor
Jesus House, London

Inspirational Drama and Worship

PHATFISH

Phatfish have made an impressive impact on the UK Christian music scene for the last decade.

Since their formation they have written, recorded and performed songs that glorify our amazing God and communicate His love and purpose for us.

They join us this Autumn to help us seek God's heart through music and worship.

Saltmine Theatre Company

The Saltmine Theatre Company passionately believes in the power of theatre to change lives. Their inspiration is Jesus' message, life and example.

Bringing specially commissioned drama to this new event, Saltmine will add their own wonderfully unique voice to this tour.

Plus partner exhibitors, resources and more!

Care for the Family is delighted to be partnering with other organisations who are passionate about this issue. Many of them will be exhibiting at our evening events where you can find relevant resources and information.
