

Teaching Inspiring Equipping

Now in its seventeenth year, this highly popular course is specifically designed for clergy and lay leaders from across different traditions and denominations who are looking for help and encouragement in leading their churches into growth.

The course takes the form of an open seminar with interactive talks, practical exercises, workshops and time and space for personal reflection. Times of informal conversation provides opportunity for our team members to answer questions and to explore the profile of individual churches.

it is as
valuable
for the experiences
shared

As a 'mixed economy' Mission Shaped Church Project we work with 'Fresh expressions' alongside 'Re-freshed Expressions'.

'All over the world the gospel is bearing fruit and growing' Colossians 1 v.6

I found the whole
course very
useful
and inspiring

- Working for catholic, evangelical, liberal and charismatic churches
- Operating in diverse situations: rural, urban, U.P.A. and suburban
- Growing large and small churches, single benefices and multi-church groups
- Getting alongside and helping clergy and lay leaders

We believe in the local expression of church as the primary agent of mission.

The Main Sessions

plenty of
food
for
thought
